BY MICHAEL

BITE INTO PARADISE

At Eats & Sweets by Michael, we came to Orange City to share the flavors we grew up with while embracing the comfort of classic American favorites. With over 30 years of experience in bakery and Middle Eastern cooking, our passion has always been about bringing people together around the table.

From fresh-baked manakish and savory shawarma to homemade breakfasts and hearty desserts, every dish is prepared with care and generous portions. As a family-owned restaurant, our goal is simple: to create a warm and welcoming space where friends gather, families connect, and everyone feels at home.

Thank you for being part of our community.
